

PBXACT 400

Ideal for Contact Center or Enterprise Office Deployments

PBXact 400 is a premise-based appliance built for mid-sized enterprises and branch office locations looking to seamlessly integrate IP phones, VoIP trunks, PSTN connectivity while improving employee collaboration and productivity with a large suite of advanced features. PBXact 400 supports up to 400 licensed extensions and 150 simultaneous calls.

Included PBXact Features

Enhanced Modules

All PBXact appliances includes the follow enhanced modules:

- » Call Recording Reports
- » Class of Service
- » Conference Pro
- » Extension Routing
- » Fax Pro
- » Park Pro
- » Page Pro
- » SysAdmin Pro
- » Voicemail Notify
- » Voicemail Reports
- » XMPP Pro

Quick-Start Installation Wizard

The quick-start Installation Wizard for PBXact makes it incredibly easy to get your PBX set up with basic configuration in just a few minutes!

User Control Panel for Personal Administration

UCP provides each user with a web based login to allow easy control of their personal experience from any device. Users can view their call history, view contacts, set their presence and personalize their phone soft-keys like call forwarding, follow me, call waiting and do not disturb.

Zulu UC Integration

Zulu UC integration is included with all PBXact systems providing users with enriching productivity and collaboration features. This includes a fully featured desktop softphone and mobile client. Features such as team chat, visual voicemail, file sharing, presence control, click-to-call and screen pop are designed for today's flexible workforce and improve business performance.

Integration with Sangoma IP Phones

Zero Touch Provisioning

Designed specifically for PBXact, Sangoma's line of IP Phones auto-provision themselves out-of-box using our Redirection Service and EndPoint Manager Module.

Full Suite of Phone Applications

A suite of applications to control functions and settings directly from the screen of IP phones. No need to remember feature codes! PhoneApps are built-in to Sangoma IP Phones and also offered to 3rd party vendors.
